Immediate Action by OHS in Ta' Xbiex

With reference to the photo being circulated in the media, the Occupational Health and Safety Authority (OHS) would like to confirm that it has taken immediate action on the matter.

Upon being notified OHS immediately took action and Officers from the Authority visited the place located in Ta' Xbiex.

After the investigations carried out by OHS Officers, a number of irregularities were noted, including those related to the danger of falls from height. As a result of this, the OHS submitted the necessary notifications to regulate any deficiencies before the works can be continued.

The Authority reminds the public that the best way to report any form of danger is by contacting it on phone numbers 21247677 or 99496786 (in case of an emergency after working hours) or by sending an email to ohsa@ohsa.mt
